

# NVSRS

## Northern Vintage Snowmobile Race Series, Inc.

NVSRS is a non-profit group of vintage snowmobile enthusiasts that promote fundraising through racing for other organizations. Our annual membership for 2008 consisted of approximately 200 racers.

Our organization has implemented a set of rules and guidelines for snowmobile races that are hosted by various organizations throughout our area. These organizations raise funds by collecting entry fees at their hosted event.

NVSRS receives sponsorship help from other groups and businesses that help us promote and advertise the events.

Our website ([www.NVSRS.org](http://www.NVSRS.org)) is our main avenue to get information to out to the general public to come on out and enjoy a day of vintage racing either watching or participating.
